Golf Course to Open Saturday, April 16th

The golf course opens tomorrow! We will be opening up the front nine holes and look forward to an exciting Season 2016!

SEASON 2016 NEWS

President's Letter

Happy spring to everyone! Hopefully, the winter weather is just about gone and spring is around the corner.

We all want to congratulate and welcome Rick Liddell our new grounds superintendent and wish him well this year. He is on the job getting the course ready to play. George is at the club getting things ready for our 2016 season.

Just a reminder to all.....that your membership dues need to be paid .

Exciting news for our club! Ticonderoga Golf Course won the 2nd BEST GOLF COURSE category in the Adirondack Life Magazine's Best of the Adirondack readers' poll! It will be in the May/June issue.

Please remember in order to maintain our course and our club we have to get more members

to help support it. To promote and reach out to new members, we will be offering more clinics, socials, spring leagues and forward tees for new golfers. These are all great opportunities for you to bring out a friend and introduce them to our club. From opening day until May 20th, if you bring out a friend who is not a member, they can have a free round of golf if they pay for the cart. We also will be offering a new package for new members to explore our club. In addition to full membership we still will offer different size play packages for those who are unable to join as a member. We need your help to support the club so please bring a friend and play some golf this spring.

Don't forget to sign up for the [e-newsletter on our website](#) for all the upcoming information and news. Sign up is quick and easy on our website. **Remember that the Opening Party is Friday, June 3rd.**

Looking forward to seeing everyone at the club!
Judy Schultz, TGC President

From the Pro Shop

As the 2016 golf season is upon us we look forward to seeing everyone soon. The golf course came through the winter in good shape overall. As most of you know Doug Ross retired at the end of last year. I want to thank Doug for all his hard work and dedication at Ticonderoga Golf Course for the last 14 years, and wish him the best in the future. Rick Liddell will be taking over as the new golf course superintendent and we welcome him in his new position.

On Friday May 13th and Friday May 20th we will be holding short game clinics, time 6:00 P.M. at the course. Please check the e-news and pro shop bulletin boards for future clinics and seminars.

We are offering some great incentives for new members this year and awarding our full priced members with two guest passes. Please check the website or with George for more information or any questions.

See everyone soon,
George Mackey

Don't forget to sign up for the e-newsletter for all the upcoming information and news. Sign up is very quick and easy on our [e-newsletter signup webpage](#).

COURSE RENOVATIONS UPDATE - APRIL 2016

This past fall and winter, Steve Durkee and his crew have been hard at work on the course renovations. The new 10th and 16th greens and 17th hole were near completion last fall. Throughout the mild winter Steve and his crew have been stockpiling materials for all of the upcoming work on new tees, greens, and cart paths this season. An additional pond has been built on hole 16 to provide an additional resource for irrigation and interest to the hole. The excavated material was used for the base of the new tees and greens under construction. We are not anticipating the construction to interfere with play. Though there are large areas of the back nine under renovation, golfers will for the most part only have to play thru some of it on holes 14 and 15. To minimize players hitting over work areas, the 15th hole is going to be played utilizing the practice range fairway this year.

We thank everyone for their patience and understanding during this short-term inconvenience in exchange for the tremendous long term gains we will see in the future.

Thank You,

Judy Schultz, Club President
T.G.C. Board of Directors
George Mackey, P.G.A. Professional
Rick Liddell, Golf Course Superintendent

Stay tuned and check our [Course Renovation webpage](#) for the latest Course improvement news!

Also, be sure to check the [News & Events webpage](#) periodically as we roll out into the new 2016 Season!

2016 TOURNAMENT SCHEDULE!

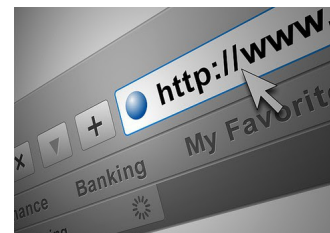

- The [2016 Tournament Schedule](#) has been released.
- This is a tentative schedule, so please check the website for updates,

changes, upcoming clinics, and other events.

Website Improvements Coming Soon!

Within the next few weeks our Ticonderoga Golf Course website will be upgraded and improved a bit. We've installed better software and enhanced the appearance, navigation, and content. The new site will look very similar with all the webpages in the same place, just spruced up a little with a few new features. We are also looking forward to adding more photos throughout the 2016 Season.

Please don't reply to this email address!

This is a non-monitored email address.

If you have a question or comment, please **call our Pro Shop at 518.585.2801** or use our [Contact/Comment Form](#) on the website. Thank you!
