December 1, 2017

As the end of the year approaches, we would like to wish all of you a Joyous Holiday and a Healthy New Year!

We are sending out our 2018 season permit rates early as we are pleased to offer once again our payment plan for 2018 memberships. You can tailor the payments to fit your own budget. It is a great Christmas gift for your favorite golfer! Stuck on the perfect holiday gift? How about a gift certificate that can be put towards a season permit, cart pass or multiple play package? For more information please call George at 518-744-5066.

As all golfers know, golf clubs throughout the country are losing members. This means less money to run the club. We are in the same situation and that is why we are reaching out to all our members this year again to ask your help in introducing your friends and your neighbors to our club. In order to maintain our course and our club we have to get more members to help support it. To promote and reach out to new members, we will be offering more clinics, socials, spring leagues and forward tees for new golfers. These are all great opportunities for you to bring out a friend and introduce them to our club. From opening day until May 20th, if you bring out a friend who is not a member, they can have a free round of golf if they pay for the cart.

In addition to full membership we still will offer different size play packages for those who are unable to join as a member.

Our renovation is moving along very well. Hole 11 fairway is being completed as I write this letter. Hole seven green is finished with the exception of the tee boxes. The fourth green is shaped with the sod scheduled to be placed around the green on November 29th. The tee boxes will also be done very shortly. We are getting closer to our capital campaign goal of \$400,000. Please help support this campaign. Look for news and pictures of all updates on the renovation on our website.

Sign up for the e-newsletter on our website for all upcoming information and news. Sign up is quick and easy at www.ticonderogagolfcourse.com

Looking forward to seeing all of you next year, thank you.
